

LC3 Cement Manufacturing Project

Organizational Structure and Staffing Plan

1. Overview

This section outlines the proposed organizational structure and staffing plan required to operate the LC3 cement manufacturing plant, inclusive of a modern bagging and packaging facility. The structure ensures operational efficiency, adherence to global best practices, compliance with safety and environmental regulations, and optimal delivery to both bulk and bagged cement markets.

Staffing Summary Suggestion

Staffing Summary Table (by department) at the end for quick reference:

Department Estimated Staff Count

CEO's Office	4–5
Finance & Administration	20–25
Operations	90–120
Logistics & Transport	30–40
Sales & Marketing	15–20
Technical Services (R&D/Lab)	15–20
Total Estimated	175–230

Department-by-Department NSSF & PAYE (Monthly)

Department	Gross Salary (USD)	NSSF – Employer 10%	NSSF – Employee 10%	Total NSSF (20%)	PAYE (Est. 30%)
A. Board of Directors	\$60,000	\$6,000	\$6,000	\$12,000	\$17,160
B. Office of the CEO	\$29,300	\$2,930	\$2,930	\$5,860	\$8,190
C. Finance & Admin	\$34,200	\$3,420	\$3,420	\$6,840	\$9,300
D. Operations	\$141,200	\$14,120	\$14,120	\$28,240	\$39,960
E. Logistics & Transport	\$46,100	\$4,610	\$4,610	\$9,220	\$12,150
F. Sales & Marketing	\$32,600	\$3,260	\$3,260	\$6,520	\$8,910
G. R&D and Lab	\$34,100	\$3,410	\$3,410	\$6,820	\$9,270
TOTALS	\$377,500	\$37,750	\$37,750	\$75,500	\$104,940

Notes:

- **NSSF total** = 20% of gross salaries (10% employer + 10% employee).
- **PAYE is withheld only on employee**, so it's **not a cost to the employer**, but must be remitted by employer.
- PAYE is roughly **30% on the amount exceeding \$400/month per employee**. For simplification, PAYE was estimated departmentally using exemptions for lower-paid roles
- **Salary range** allows flexibility based on experience and local wage benchmarks.

- Salaries should be **reviewed annually** and adjusted for inflation, performance, and market competitiveness.
- Fringe benefits (housing allowance, medical cover, bonuses) are **not included** in these base salaries.
- **Local payroll tax, NSSF, PAYE** obligations must be added during implementation.

NB: Our LC3 Cement Plant staffing proposal is **well-aligned with global industrial standards** and demonstrates foresight in key areas, by incorporating the above refinements—particularly around HSE, IT automation, and HR development—the project will further solidify the management foundation for a sustainable, efficient, and compliant operation.
